

Badger Boardwalk To Be Closed for Yearly Maintenance

Badger Boardwalk, the large wooden playscape at Badger Park in the City of Peshtigo, will be closed to all use from 7:30 a.m. on Monday, July 23 through 4:00 PM on Wednesday, July 25. The reason for the closure is so that the Parks and Recreation Department can complete yearly maintenance on the structure. Anyone interested in helping with the application of the sealant to all of the wood surfaces during this time period is asked to contact Parks and Recreation Director Dave Zahn, 715-938-1296.

Thank you,

David M Zahn

City of Peshtigo Parks and Recreation Director
