Fire Department History

The Town Fire department was asked to be the City Fire department in 1903. There has been six Fire Chiefs with the first being Chief D. B. Northrup. The fire department members do fire prevention inspections, safety training, firefighting and other community activities for the City of Peshtigo residences and businesses.

The above picture is of the City of Peshtigo Firefighter Memorial dedicated June 24, 2006. The memorial was put up with private donation in memory of past firefighters from the community. Memorial donations have also purchased 2 thermal imaging cameras for our department to use. We would like to thank all who have donated and help in all of our projects.
