2012 - BRIDGE OUT - HOLD ON TIGHT

Hold on tight for an interesting summer. The City of Peshtigo is bracing for what should be a wild ride.

You will see major changes in our summer events due to the Bridge work and the river draw-down this summer. Please note some time and location changes due to this work being done.

Badger Park and the adjoining Campground are on the tail end of a major facelift as the camp-

ground sites are being reconfigured and a new large pavilion is being constructed. Both restroom facilities have been updated with new fixtures and have outside facelifts. New trash receptacles, seating benches and permanent grills will accent the new facilities.

Riverfront Park will see a new gazebo and a facelift with the French Street transfor-

mation. All in all we are going to experience a hectic summer with what will be a vast improvement to our city. Bear with us during this most interesting summer.

This newsletter is now located on the City of Peshtigo website @ ci.peshtigo.wi.us

Have a nice summer and get out and enjoy what Peshtigo has to offer.
